TRADE MISSION

ABCMI Business Opportunities Conference & Trade Show

Oceans Advance, in partnership with ACOA and Atlantic partners, is recruiting ocean tech companies for a trade mission to the ABCMI Business Opportunities Conference & Trade Show in Vancouver.

Showcase your capabilities, connect with Western Canada's marine industry leaders, and explore opportunities in shipbuilding, marine transportation, defence, and more.

Who Should Attend?

Atlantic Canadian ocean tech companies aiming to expand west, connect with prime contractors, or tap into B.C.'s marine supply chain.

What's Included:

- Floor Space at the ABCMI Business Opportunities Conference & Trade Show
- Show Pass (One per company. Additional passes may be purchased separately)
- Logo displayed on the Atlantic Canada booth

- Site visits in the region on October 23 - Group transportation provided.
- On ground support from partners
- Participation in a number of networking events
